Lawyers Associated Worldwide: Bringing National and Global Legal Capabilities to Our Clients' Doorsteps

While Burke, Warren, MacKay & Serritella's Chicago roots run deep, our capabilities and resources extend around the globe. In business and legal landscape that is ever more interconnected and interdependent, our clients require the ability to act on opportunities and address challenges no matter where they arise. That requires counsel with both worldwide reach and local knowledge.

Clients with legal concerns across the country and borders turn to Burke Warren for sound guidance and representation through affiliated lawyers at more than 100 independent law firms around the world. As a member of Lawyers Associated Worldwide (LAW), an invitation-only, highly-selective collaboration of law firms, we leverage the power of more than 4,000 attorneys in 180 international commercial jurisdictions to ensure that our clients have the legal talent that can help drive their success - wherever and whenever they need it.

As the exclusive LAW member firm in greater Chicago and the state of Illinois, Burke Warren is positioned to deliver global legal services to businesses and individuals who want to experience "boots on the ground" while continuing to interact with their trusted lawyers closer to home. We work closely and seamlessly with our colleagues at affiliated firms across North America, Europe, South America, the Middle East, Africa, and the Asia-Pacific region to define objectives, facilitate clear communication, and implement optimal strategies.

Firm partner Elizabeth Davis was elected in May 2021 to serve as a member of the LAW Executive Committee as a Regional Representative.

First established in 1989, Lawyers Associated Worldwide and its member firms have become synonymous with excellence, professionalism, and expansive global legal capabilities across a broad range of practice areas. The firms we affiliate with both mirror and complement our services, bringing a world of high-caliber representation to our clients' doorsteps.

Burke Warren was proud to host LAW's Americas Regional Meeting in 2019, and we continue to strengthen and expand our network of relationships to further enhance our ability to serve our clients' needs in a hyper-competitive global marketplace.
