A CONVERSATION WITH SCOTT APPLEBY

River Roast, 315 N. LaSalle St., Chicago

Event Sponsor: Burke, Warren, MacKay & Serritella, P.C.

Scott Appleby, the Marilyn Keough Dean of the University of Notre Dame's Keough School of Global Affairs, will discuss the role the new school will play in preparing students to engage in the worldwide effort to address the greatest challenges of our century: threats to security and human dignity that come in the form of crushing poverty and underdevelopment; failed governance and corruption; resource wars; civil wars; and other forms of political violence and human rights violations. The school will "devote itself to the advancement of integral human development – a holistic model for human flourishing articulated in Catholic social thought by popes from Paul VI to Francis."
