About the Archdiocese of Chicago

We provide opportunities for our parishes and the people of our local communities to put faith into action. It's through our initiatives and programs that we seek the faith formation of others, and encourage people to deepen their faith in Christ and live as disciples through each aspect of life. The student who reaps the benefits of Catholic education, but can no longer afford tuition due to a parent's illness. Donations provide scholarships to students with financial need and allow them to continue growing their faith in the classroom and receive quality education. The parish that desperately needs updated accessible facilities for disabled parishioners, but doesn't have the funds to make repairs. Charitable gifts benefit the Annual Catholic Appeal, which aims to sustain parish programs and facilities. Your contributions and generosity are deeply appreciated, much needed and make a real difference in the lives of many. Please consider donating to the Archdiocese of Chicago, and help us as we continue fulfilling the mission of our local Church. <https://giving.archchicago.org/about-us/mission>
