About Mercy Home for Boys & Girls of Chicago

As a Catholic children's charity based in Chicago, Mercy Home for Boys & Girls is dedicated to changing the future for the boys and girls, ages of 9-24, who turn to us for help in their most critical hour. Mercy Home has been that port in the storm for thousands of young people since 1887. Mercy Home gives the young people in its full-time care the tools they need to develop as people, as students, and as contributing members of society. We also assist hundreds more by connecting them to a vast network of accredited professional service-agencies throughout metropolitan Chicago. <https://www.mercyhome.org/about-us/>
